Sep 19-20 Sigginstown Castle Fair: We've wanted to host a fair for a while, and this is developing from our previous Flax and Fiber events. We want to be on the map for a small Festival and ask for your support in making it bigger and better this year. Stay tuned for more information about traditional trades, crafts, fiber, food, music and fun! If you do a traditional craft and would like to sell or demonstrate, or have an idea, please email us at sigginstown@earthlink.net
